INFORMATION DISCLOSURE STATEMENT PURSUANT TO 37 C.F.R. § 1.56

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of an claim of the subject application, Attorneys for Applicant hereby direct the Examiner's attention to the references AA-AE listed on the attached revised form PTO/SB/08.

Copies of references AA-AE were cited by the Examiner in connection with United States Patent Application Serial No. 09/159,325, filed September 23, 1998, to which the instant application claims priority under 35 U.S.C. § 120. Pursuant to 37 C.F.R. § 1.98(d), the Examiner is directed to the file of United States Patent Application Serial No. 09/159,325 for copies of references AA-AE.

Identification of the listed information is not to be construed an admission of any individual associated with the filing or prosecution of the subject application that such information is available as "prior art" against the subject application. Furthermore, Applicant does not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as information against the claims of the subject application.

Applicant respectfully requests that the Examiner review the listed information and that the information be made of record in the file history of the application.

This Information Disclosure Statement is filed under 37 C.F.R. §1.97(b) before the latter of three months after the U.S. patent application filing date or the first Office Action on the merits. Accordingly, no fee or certification is required.

Date: 1/25, 2001

Respectfully submitted,

Sutton Executive Center 3201 New Mexico Avenue, NW, Suite 350 Washington, DC 20016 (202) 363-2620
